Textbook. *Linear Algebra: A Modern Introduction (4th Edition)*, by David Poole.

Course Website. All the information about the course will be posted on Blackboard (<https://blackboard.stonybrook.edu/>).

Marking Scheme. Your final grade will be determined as follows:

Homework (Weekly)	30%
Midterms (2)	40 %
Final Exam	30 %
<hr/>	
Course Grade	100%

Each homework will be weighed equally, and the one with the lowest score will be dropped. The midterm with the higher score will be worth 25 %, and the one with the lower score will be worth 15 %.

Midterms. There will be two midterms in this course. They will be held **in-class**.

	Date	Time	Location
Midterm 1	Wednesday, September 29th	4:25 PM to 5:45 PM	Frey Hall 205
Midterm 2	Wednesday, November 10th	4:25 PM to 5:45 PM	Frey Hall 205

To request special consideration for missing the midterm, email the instructor with supporting documentation at least **one week before the test date**. In case of illness, email the instructor with a doctor's note **within one week after the test date**. For students who have missed one test because of a legitimate reason, the weight of the missed test will be shifted to make the other test worth 30%, and the exam worth 40%. For students who have missed both tests because of legitimate reasons, the full weight of the tests will be shifted to the exam to make it worth 70%.

Final Exam. The final exam will take place in **Frey Hall 205**, on **Wednesday, December 08th, 8:30 PM to 11:00 PM**.

Homeworks. Homeworks will be assigned on Blackboard (almost) every week. They will be due a week later on **Sunday at 11:00 PM**. The solutions must be submitted online through Gradescope. Late submissions will NOT be accepted. Further details about Gradescope is posted on Blackboard under "Documents." The homeworks will be worth 30 % of your final grade. The lowest homework grade will be dropped.

Faculty are required to report to the Office of Student Conduct and Community Standards any disruptive behavior that interrupts their ability to teach, compromises the safety of the learning environment, or inhibits students' ability to learn. Until/unless

the latest COVID guidance (<https://www.stonybrook.edu/commcms/strongertogether/latest.php>) is explicitly amended by SBU, during Fall 2021 “disruptive behavior” will include refusal to wear a mask during classes.
