Instructor: Lazebnik, Kirill (Primary)

Question: What does the instructor do particularly well? please be specific

Lazebnik
N/a

Lazebnik
He shows up on time and tries to help

Lazebnik
Instructor was knowledgable of the topics discussed and was able to clearly explain the topics (to me).

Question: What could the instructor do better? please be specific

Lazebnik
Be more friendly

Lazebnik
He could be more helpful, he could have done more to prepare for classes

Lazebnik
Maybe move a little slower as a whole; even though most of the students were able to grasp the material, there were some who did not seem to understand at the pace we were moving at.

Question: Aside from the quality of the instructor, what is particularly good about the course? please be specific

Lazebnik
N/a

Lazebnik
This section provided slightly more practice of material

Lazebnik
Math we learned here is different than that of other math courses offered here.

Question: Aside from the quality of the instructor, what is particularly bad about the course if there is any? please be specific

Lazebnik
It's confusing

Lazebnik
A lot of times I went out of my way to get to class and really did not learn anything
