Prerequisites: Introductory graduate courses in real and complex analysis, or permission from both the instructor and the Stony Brook Mathematics Graduate Director, Mark McLean, whom you can email at mark.mclean@stonybrook.edu.

Text: A set of notes will be provided by the instructor.

Course webpage: http://www.math.stonybrook.edu/~dror/537-f22.html

Holidays: Holidays are listed in the university calendar. See http://www.stonybrook.edu/registrar/index.shtml

Homework: The course has no homework.

Examinations: There will be no exams.

Math Learning Center (MLC): The location of the MLC is S-235 in the math tower. The MLC is open every day and most evenings. A schedule is posted on the door.

Drop/Add dates: Drop Deadlines: Aug 28 (no tuition liability), Sept 4 (No “W”), Oct 11 (“W”)  
For more details, see SBU registrar: http://www.stonybrook.edu/registrar/index.shtml

Student Accessibility Support Center Statement

If you have a physical, psychological, medical, or learning disability that may impact your course work, please contact the Student Accessibility Support Center, Stony Brook Union Suite 107, (631) 632-6748, or at sasc@stonybrook.edu. They will determine with you what accommodations are necessary and appropriate. All information and documentation is confidential.

Academic Integrity Statement

Each student must pursue his or her academic goals honestly and be personally accountable for all submitted work. Representing another person’s work as your own is always wrong. Faculty is required to report any suspected instances of academic dishonesty to the Academic Judiciary. Faculty in the Health Sciences Center (School of Health Technology & Management, Nursing, Social Welfare, Dental Medicine) and School of Medicine are required to follow their school-specific procedures. For more comprehensive information on academic integrity, including categories of academic dishonesty please refer to the academic judiciary website http://www.stonybrook.edu/commcms/academic_integrity/index.html

Critical Incident Management

Stony Brook University expects students to respect the rights, privileges, and property of other people. Faculty are required to report to the Office of Student Conduct and Community Standards any disruptive behavior that interrupts their ability to teach, compromises the safety of the learning environment, or inhibits students’ ability to learn. Until/unless the latest COVID guidance is explicitly amended by SBU, during Fall 2021 “disruptive behavior” will include refusal to wear a mask during classes.
