Homework 9

Due during recitation the week of November 16

Assigned Exercises

The following exercises are from the course textbook.

- **Section 6.3:** Exercises 2, 3, 4, 5, and 6.

Homework and Quiz Policy

Homework assignments will be collected by your recitation TA. Specific submission instructions will be communicated by the TAs. A quiz based on one of the exercises above will be administered during recitation in the week the homework is due. The score for this assignment will be based equally on the written homework and the quiz. The written homework will be graded selectively.
