Note: because of the tight scheduling, it will not be possible for students to get immediate feedback from visitors. Please try to stop in during our office hours in the next couple of weeks.

NR: Tues, 2-3pm in Math 305. (I am also in the MLC on Tuesdays from 1 to 2 and on Thursday from 3 to 4. Students can email me to arrange to meet some other time in case they can't make it to my office hours.)

TP: Mon 3-4 in P-143, Wed 2-4 in 3-133. Email me to set up another time if these don't work.
